8 PLANNING MATTERS

Applications

PA17/01449 Dr & Mrs Hocken – Demolition of existing sub-standard garage and construction of replacement garage – The Cottage, Port Navas *and*

PA17/01450 Dr & Mrs Hocken – Listed Building Consent for the demolition of existing sub-standard garage and construction of replacement garage – The Cottage, Port Navas. Cllr Nicholls proposed, Cllr A.Carter seconded, Cllr Mrs Bradley-Davis abstained, all others in favour that this application should be returned with the following observation *The revised plans do little to allay the real concerns about the deleterious visual impact the proposed building will have on the historic settlement of Port Navas as expressed by members of the public and by statutory bodies alike. It will have an overbearing effect on the neighbouring listed village hall and additionally it will destroy the existing street scene and cause harm to the nearby listed buildings. The design of the proposed replacement garage is out-of-keeping with its surroundings and the proposal as a whole represents an over-development of this small site. Once again, Constantine Parish Council requests the Planning Authority to refuse permission for development.*

12 COMMENTS FROM COUNCILLORS

Cllr Bolt reported that he and Cllr Andrew had been to the Pavilion to check the water supply. Despite the fact that there appears to be a good head of water, the toilet cisterns are extremely slow to fill and that will undoubtedly create problems during the Cottage Garden Show and the Brass of the Grass concert. It was agreed that Cllr Andrew should seek the help of a plumber living locally.
