8 PLANNING MATTERS

Applications

PA17/09435 Mr and Mrs Schofield – Creation of new gateway access – land WSW of Tredella, Port Navas. Cllr Mrs Thomson proposed, Cllr Andrew seconded and it was agreed that this application should be returned with the following observation *Constantine Parish Council notes the discrepancy between drawings numbers 2 and 3. Nevertheless, with the proviso that a condition is imposed requiring the existing gateway further down the road towards Port Navas to be stopped, the Council is supportive of the principle of the proposed new gateway. However, Constantine Parish Council would strongly resist the construction of a vehicular access track along the north-western edge of the boundary as shown in drawing number 2 and wonders whether a condition might be imposed preventing this.*

PA17/09772 Mr and Mrs Collins – Application for removal of condition number 3 in respect of decision notice W2/88/00522/F – Penbothidno House, Penbothidno. Cllr Bolt proposed, Cllr Mrs Dunstan seconded and it was agreed that this application should be returned with the following observation *Constantine Parish Council supports this application.*

Cllr Mrs Thomson proposed, Cllr Bolt seconded and it was agreed that this application should be returned with the following observation *Constantine Parish Council has grave concerns both about the construction of a third exit on this stretch of the road and about the loss of part of the agricultural field through which the proposed domestic drive runs. The Council therefore requests the Planning Authority to refuse permission for development.*
